

Chindamanee School
CAMBRIDGE PROGRAM

We believe what is taught
with love lasts forever

WELCOME TO CSEP FAMILY

Welcome to Chindamanee School Cambridge Program, since 2005, our student achievements on the global and national stage, in the examination hall, classroom, sports Field, studios, and the stage has established a reputation as one of Thailand's leading Cambridge Program schools.

It is these successes that have brought you to us. Here at Chindamanee, we continuously strive to stay ahead of the curve. Still, we take care of the health and emotional well-being of your child while we are doing it. This active approach to education has led to us succeeding in multiple stages from the national O-Net examinations to the GAT/PAT exams for university admission.

Our student continuously outperforms expectations. A Chindamanee student is a student with a global perspective as we offer the best of both worlds a world-class English education combined with core Thai subjects that our students require to succeed.

We support your child in whatever needs he or she has to succeed, be that A-Levels, IGCSE, IELTS, TOEIC, National examinations. It is with this in mind that I extend a warm welcome to new and current parents and remind you that we are there for you for whatever you may need.

ABOUT OUR CHINDAMANEE

Our school is an extraordinary place of learning and discovery. Talented and caring members of staff provide each student with the highest academic and behavioural standards which combine to give the ideal foundation to go on and succeed in life.

We promote a sense of community between our students, parents, and teachers that compliment personal growth and learning.

From managers to teachers and administrative staff, students are exposed to leadership that lights the path ahead. They are shown the right way and given tender loving care to follow this direction in their day-to-day attention to studies. Our teachers have a global perspective that is encouraged in the thinking of our students. The earlier that perspective is developed, the clearer students can visualise their future.

WHY CHINDAMANEE?

- ✔ Continuity in Education

IT'S A "3 IN 1" FOR THAI STUDENTS

- When you graduate from Chindamanee Cambridge Program, your diploma is approved from the Ministry of Education, so you can continue studying at a university in Thailand.
- You can improve your English to an advanced level by having English instruction in many subjects, and go abroad to continue your education in any university in the world which means you become a truly global citizen.
- You study at a modern, private school at a peaceful location in Bangkok.

IT'S AN IDEAL ALTERNATIVE SCHOOL TO INTERNATIONAL PARENTS

- Learn and improve your English if it's not your first language by studying at Chindamanee.
- Join Chindamanee's Cambridge Program, which prepares students towards certificates, without the need to master the local language.
- Let your kids study at a new school with up-to-date facilities.
- Enjoy saving benefits as Chindamanee is one of the most affordable schools in Bangkok.
- Early Childhood developments that work.

Where Your Child Develops

Chindamanee Schools Cambridge Program Kindergarten (Early Years Foundation Stage) is a special place where students start their journey at CSCP. Every child here is unique and has individual interests, skills, and needs.

Nursery & KINDERGARTEN

Your child will partake in a carefully balanced and well-planned teacher and child-initiated activities to develop as individuals and as active learners. Each child's progress and achievements are recorded in their interactive assessment grade book, giving you the parent a clear path to the success of your child.

LEARN BY DOING

Here, children grow and develop the skills needed to succeed in literacy and numeracy in both English and Thai Language. Through "Active Learning," our children experience a range of challenges.

Create the best future for your children

Project-based and students centred learning with well-known Cambridge integrated curriculum together National core curriculum.

At our highly-successful secondary section and beyond.

LEARN BY DOING

Students take part in the National and International competitions and win medals. O-Net 84.3% from English subject, Silver medal three years in a row. O-Net 82.5% from English subject.

HIGH SCHOOL

Chindamanee Secondary provide an authentic and balanced education for every student within a diverse, global and inclusive curriculum. Our school supplies for our students in an academic, social, cultural and sporting sense. We promote an engaging and challenging learning environment founded on tolerance, mutual respect, moral accountability, personal integrity and professional commitment.

Chindamanee sees the need to work closely and effectively with all our parents, students and teachers to give students every possible chance.

OUR SERVICES

At CSCP secondary, we do not just create well rounded global students capable of success on multiple fronts. We are built on a known goal of giving our students the tools needed to succeed in every possible scenario. This is achieved by remaining true to our core principles of:

- ✓ Moral Enrichment
- ✓ Social Awareness
- ✓ Compassion
- ✓ Respect for all
- ✓ English Fluency

%100 SUCCESS IN UNIVERSITY PLACEMENT

Chindamanee has a long history of producing university ready students. These students show academic curiosity and ambition that prepares them to further their education. These studies continue at Thailand's leading universities and colleges, including Chulalongkorn, Thammasat, Mahidol, and King Mongkut University of Technology. We provide students with expert content teachers and counsellors to ensure they succeed in getting the required grade point average and pass the necessary entrance examinations. In M6 (Grade 12), they start visiting universities all over Thailand to ensure they make the correct decision with their university of choice.

100% UNIVERSITY PLACEMENT SUCCESS

OUR FACILITIES

Classrooms

Spacious, fully equipped and air-conditioned classrooms. Classes range from kindergarten 1 to year 12 and class sizes vary from 20 to 30 students. The average student-teacher ratio is 8:1.

Outside play areas

There are outdoor play areas where students can play ball games such as basketball, volleyball, football, badminton etc. during the breaks.

MAC Lab

The computer room is equipped with up to date computers. It also has individual workstations for students, and a network system linking all the computers together.

Biology & Chemistry laboratory

The Biology, Chemistry & Physics room is equipped with up to date scientific equipments. Our Labs are also ready for students use at any time with science teachers on demand.

Music room

The music room is on the fourth floor and contains 15 electronic organs. 2 Drum sets, and Guitars and other musical instruments.

Library

The library is on the fourth floor, with easy access for all teachers and students. A full time librarian manages a library that is stocked with a variety of reading and reference books in both English and Thai.

Art Room

Air-conditioned spacious art room with specially designed drawing desks has been established to let the students work more comfortably.

Makerspace

Makerspace is a workspace inside a school where traditional learning meets the practical application. The room offers students to be more inquisitive, experience the theories and applications in the quickest time possible.

Canteen and Buffet

On the second floor, there is a canteen selling hot meals, pastries, snacks, drinks and stationery items.

Indoor playground

On the ground floor there is an indoor and well equipped playground for KG students.

Swimming Pool

We have swimming pool for kindergarten and primary students, they can enjoy swimming

Science Laboratories

Up to date, fully equipped laboratories containing everything needed for practical and theoretical science. Chindamanee has some of the most modern and well-equipped laboratories and science classrooms in Thailand.

ENROLLMENT IS OPEN NOW!

A school where your child's future will grow from a love of learning. All prospective students are invited for an interview and placement assessment. This helps us to determine the appropriate grade placement and whether English as a Second Language (ESL) is required.

ADMISSION PROCEDURES

Students may apply to enter the school at any time during the year. Applicants will be required to sit for aptitude tests as well as attend an interview.

- ✓ **Nursery and Kindergarten**
aged 2 to 6 years (Nursery - KG 3)
- ✓ **Primary**
aged 6 to 11 years (Grade 1 - Grade 6)
- ✓ **Secondary**
aged 12 to 17 years (Grade 7 - Grade 12)

VISIT US

When you visit us, you can see the campus facilities and meet staff and students. There will also be the opportunity to arrange for placement tests (applicable for students entering Grade 1 and above). These tests help us to ensure a more seamless transition into the school for your child and include English language tests as well as aptitude tests, which may consist of math and science subjects.

As there are no tests for students entering our school below grade 1 (Kindergarten students) a simple, friendly chat with the child will occur with the Head of Kindergarten to help advise the teachers as to their language level

At Chindamanee all of our students take part in the official Cambridge Exam, per the Thai Ministry of Education. The Cambridge exams give our students a precise CEFR level. Below is our scores from the last three years in comparisons with Thailand and the rest of the World for P9(G6) to M2(G8) These students are all at either B1 or B2 on the CEFR scale.

EDUCATIONAL TRIPS

INTERNATIONAL & NATIONAL

CAMBRIDGE, ENGLAND

Almost every year our students from Chindamanee School Cambridge Program visits a foreign countries. Our students last time went in London Trip where the went to some famous UK universities and also took some English Courses with native teachers which benefited our students in gaining language certificate. This trip also had some fun attraction visiting such as famous museums, parks and more.

TAIWAN

Taiwan Trip is Cultural Immersion Program 10-day workshop organized by Providence University , which is specially designed for Thailand students, and teachers, who want to learn management, financial course, Chinese Language and Taiwan culture, and are interested to improve their knowledge about Taiwan.

THAILAND

Chindamanee School Cambridge Program's students have educational and cultural trip to Chiang Mai every year. They get to know about northern attractions and culture. They also do various fun activities there. This trip help our students to expand their knowledge on northern culture and tradition.
