

About Chindamaneer School

Chindamaneer School, established in 1973 as a private school in the Chom Thong District of Bangkok, offers the English Program integrated with the Cambridge Curriculum, aligned with the curriculum set by the Thai Ministry of Education and accredited by Cambridge Assessment International Education (CAIE). This provides a comprehensive educational experience, including the Cambridge Program, for students from year 1 to year 13, ensuring a well-rounded and globally recognized academic journey.

Chindamaneer School offers a wide range of amenities to support students' holistic development, including well-equipped classrooms, science labs, a Mac lab, smart TVs, Wi-Fi internet access, customizable robotics kits, musical instruments, maker space, a Montessori room, swimming pool, library, and playground. These facilities enrich students' educational experience, promoting both academic excellence and physical well-being.
